What's Your Question? The Women's Social Network *Has the Answers!*

Join our WSN Google group if you would like to exchange information and ask questions about life in Singapore. Whether you are looking for a friend to join you for a movie night or need help finding a store that sells shoes in your size, the WSN group can help. To join, email wsn@awasingapore.org to be added to the Google Groups list. There is a coffee meet every Wednesday at 313 Somerset Starbucks, 10 AM to 12 PM.

This month, we asked the WSN,

"What's your favorite hair salon to head to when you need a little pampering?"

and here's what we discovered...

"I am going to second Casey's at Palais Renaissance! They are a little pricey, but I've been seeing Casey for the past two years and he is just lovely. He trained in London and colors my "blonde" hair beautifully! I can even have my hair colored in the states and it is always matched well! " Pegge B.
