## CASEY CHUA

### CASEY INC

He is one of the gems of the trade. Equipped with his trademark glasses and shaggy do, along with his sharp wit and observation, Casey Chua's 30 years in hairstyling has seen him work and train all over the globe as long as it could fit into his tight schedule. Chalking up opportunities to style for numerous international fashion runways, haute couture and prêt-à-porter shows through the years, he knows that it is a blessing to be able to share and impart his knowledge to his staff and peers, both as a boss and a Redken performing artiste. And it is this humble and forthcoming attitude that doesn't flinch as he shares about precision cutting, colouring or scalp care – when Casey speaks, people listen. He knows not to accept second best when you can be at the top of what you're doing. And he is.
